Rank Skill Academy

We are a professional computer training centre dedicated to helping students, job seekers, working professionals, and beginners develop practical computer and digital skills. Our courses are designed to make you confident, job-ready, and prepared for today's digital world.

We offer a wide range of **computer and career-focused courses**, including **CCC, DCA, ADCA, DFA, Tally, Internet & Digital Skills, Typing, Digital Marketing, Video Editing, Content Creation, and more.**

Whether you are starting from the basics or looking to upgrade your existing skills, our practical and easy-to-understand training helps you learn through hands-on practice. From learning essential computer applications and office tools to mastering accounting, digital marketing, creative content, and modern digital technologies, we focus on skills that can be applied in real-life work environments.

Our goal is simple — **to turn learning into practical skills and practical skills into career opportunities.**
